SUBJECT: Letter of Appreciation

Dear Dr. Astor,

I am writing to thank you and the Pikes Peak Community College Rampart Range Campus' International Education for the assistance and hospitality shown to us during the Materials Production Workshop based on the National Standards and K-6 Articulation that we conducted for the Colorado Japanese Language Education Association (CJLEA) at PPCC Rampart Range Campus on June 6 & 7, 2001. We are especially appreciative of Ms. McAdams, your tech support staff and the campus security staff whose efforts contributed greatly to the success of the workshop.

Ms. McAdams provided us with all the essentials for a well-organized workshop. Both Ms. Slotsve and myself were impressed by the smooth and timely execution of the workshop, and all of the participants appreciate both Ms. McAdams and you for serving so graciously as our host.

We were also grateful for the opportunity to learn more about the pedagogical interests of language educators and how they relate to technology. This workshop gave us the opportunity to establish contacts with Colorado's Japanese language instructors and to learn something about the facilities and programs available at PPCC.

Again, thanks for the outstanding support. We look forward to continue building an excellent working relationship.

Sincerely,

Yumiko Guajardo
